BUILDER STORY - EASY STREET CAREFREE

Developer: Ed Lewis

Butte Companies develops diversified and unique commercial and residential projects that include class “A” office buildings, upscale multi-family, commercial space and luxury residential towers. The company is headquartered in Scottsdale, Arizona. Several separately structured companies come under the Butte umbrella, including Butte Carefree Condos, Butte Offices, Butte Landmark, LLC and Centennial Homes, Inc.

Butte Companies is a market-driven commercial real estate development company committed to creating value by customizing each niche development opportunity to meet unserved market needs. Notable projects include Kierland Corporate Center and The Landmark, a pair of luxury mid-rise condominium towers located on the Westin Kierland Golf Course. Their most recent venture is the mixed-use project in Carefree called Easy Street scheduled for phase I ground breaking in the Fall of 2008.

Butte Companies is owned and operated by two generations of an Arizona family plus a core of committed, experienced and talented associates. President Ed Lewis believes that projects will be done better and all parties will get more value when Butte operates in the highest integrity and embraces partners with the same values.

After earning an Electrical Engineering degree from the University of Colorado, Ed Lewis had successful careers of 8 years each at General Electric Company and Arizona Public Service. In 1985 he started Butte Construction Company and for 15 years built large commercial, retail and residential projects. In 1993 he began developing commercial property under the Butte name. Over the last 14 years he has created numerous multifamily, single family and Class A office Offices. With the completion of The Landmark, one of the most successful mid-rise residential condo projects in Arizona, Ed has successfully completed projects totaling more than \$220,000,000.
